

SIBYLLE SCHWARZ

-Illustrating Relationships-

Dynamic and joyfully driven by her creative urges, lost in space-time ...

Sibylle's work represents her life – her life represents her work. The studio of Sibylle Schwarz is like a creative factory where she unrelentingly produces new things full of phantasy, ... over and over.

One of its kind paper collages, unseen material mixes, art works, objects or paintings. Every single paper or piece is meaningful. Her work is unpredictable and humble at the same time. It is her language and it leaves a deep mark. Sometimes dignified und subtle, some other time lusty und archaic.

Sibylle Schwarz assimilates her experiences, observations and feelings and transfers it into imaginative techniques und unseen material mixes.

Her artwork is alive, innervating und deeply moving.
